2021-2022 Schedule of Classes (version 1)

July 20, 2021

Here it is! What you have been anxiously awaiting, our 2021-2022 dance year schedule of classes (see reverse). It was certainly no mystery that this past season was not as we had planned but as our motto for the season says .."Our Comeback is Stronger than our setback" . We are very excited that our efforts to keep our students dancing has come back three-fold for us and also blessed us as we enter our 50th dancing year. We are opening in the fall with what may look like a brand new studio! Major renovations and upgrades have been made and we can't wait for you to see what we've done.. As you can see from the schedule below, we are thriving and have a class for just about everyone! Your next step is to decide what type of class, as well as the day & time that will most conveniently fit your families schedules. Don't forget, all of our classes run like a school year beginning September 13th until the middle of June, when your child(ren) will showcase their talents in our annual recitals. So be careful in selecting your child's class(es). Please take into consideration all other extra-curricular activities that may come up throughout the year to avoid conflicts in schedule. A handbook that includes important dates, policies, etc., will be handed out at registration. Our registration dates are quickly approaching, so don't delay. Classes are filled on a first-come, first-serve basis. We have set-up numerous registration dates for you to come in, sign your child up for classes, but don't forget, classes fill quickly! We can't help but to boast that our now 15,000 square foot facility with 9 dance studios is the largest in the area, most up to date and state of the art facility around....hope to see ya there!

Registration Dates

For returning students.... July 26th & July 28th- 5:00-8:00pm

For new students... August 2nd and 3rd- 5:00-8:00pm

Listed below is a brief description of disciplines offered:

Acrobatics – Controlled tricks, cartwheels, head stands, handstands, etc to improve flexibility, strength and balance

Ballet – Classical, graceful movements to learn and utilize proper positions and technique

Combination – Class in which two separate disciplines are explored for the 4 to 6 year old

Tiny Tot/ Creative Movement – fundamental dance techniques utilizing songs, rhythms, tumbling and imaginary play

Hip Hop – Funk or street dancing, MTV style using fundamental jazz technique

Jazz – The use of isolations, turns, leaps, etc. to enhance flexibility and rhythm

Lyrical – Contemporary style that demonstrates extension, balance as well as the interpretation of music

Tap – Striking of the foot to the floor to create tap sounds in rhythmic patterns.

Tumbling – An introduction to acrobatics that encompasses rolls, headstands, etc.

Boys Hip Hop/Acro Combo~ a class specifically designed for our boys where they can learn funk style as well as acro.

Musical Theatre Jazz~ A Broadway style jazz class based on styles of shows such as Hairspray, Chorus Line etc.

Pro Dance Challenge Classes~ a program where advanced level students can benefit from our Showtroupe level classes without having to compete. Audition may be necessary for placement. See below for pricing.

As we're sure you'll agree, our rates are quite reasonable and we can assure you that your child(ren) will receive the best possible dance training anywhere! Please note the ages and levels listed for each class. Ages listed represent a general range. The Directors will be happy to assist you in determining the most appropriate level for your child(ren). Also, please take into consideration that new classes may open up as some may fill up more quickly than others.

Tuition & Fees

Registration Fee (new students only).....	\$50.00
